Getting Ready for the Horse

Show.

Down the horse show is drawing so near.

I ke to my trunk to secure
The clothes that I sported last year:
But—can these be the enes that I wore?!?
With a groun and a host I regard my dress suct And sling it, with tears, to the floor.

For it's wrinkled behind and before, It's spotted above and below.

And shabby-oh, heavens far more Than any dress cult that I know.

Oh, It looks such a moss that I cry in distress:

"Why, dodgast my eye if I go?"

I don it and look in the class,
And start back appalled at the eight:
Am I that ridications ass?—
That feedbah and hideous fright?
And I amgelly shout: "Not h sent who
will doubt
That 'twas hired at so much a night!"

Healthful cream of tartar, derived solely from grapes, refined to absolute purity, is the active principle of every pound of Royal Baking Powder.

Hence it is that Royal Baking Powder renders the food remarkable both for its fine flavor and healthfulness.

No alum, no phosphate—which are the principal elements of the so-called cheap baking powders—and which are derived from bones, rock and sulphuric acid.
